

DHL eMailShip

With DHL eMailShip, you can prepare shipment and booking details in PDF or Microsoft Excel format, and send them via email — an innovative idea that's a first for the industry! This saves you the time and effort of completing paperwork and Air Waybills manually.

This tool is ideal for small/medium businesses who have decentralized multiple users and locations.

WIPE OUT EXTRA PAPERWORK WITH THE CLICK OF A BUTTON.

DHL eMailShip has been specially designed to make shipping easier by enabling you to prepare and print DHL Air Waybills, Shipment Forms, Customs Documents and Pickup Forms. You can also receive Delivery Notifications and book a pickup with DHL eMailShip.

HOW DOES MY BUSINESS BENEFIT?

Improved productivity and time saved

- Reuse details in the forms for your next shipment, saving you time and effort
- Reduce errors that may occur due to manual preparation as the system will instantly check the information input
- Reduce paperwork and save storage space

Enhanced convenience and ease of use

- Gives you the flexibility to work offline at your own leisure
- Schedule pickups without having to pickup the phone
- No user IDs and passwords need to be remembered, compared to filling-out forms on the Internet
- High speed Internet access is not needed as it uses email to send and receive shipment details
- Does not require installation of a third party plug-in on company computers
- No cumbersome software installation, upgrades or costly maintenance, saving you time and effort
- Supports the language which suits you best. Versions available in: [country to list languages]

WHAT DO I NEED TO GET STARTED?

Besides a DHL account number, you will need:
